AEC Group Unified SOP Manual

"Super Computer ERP" Standard Operating Procedures

For AEC Cinemas, Bytes Caffe, AEC Residency, AEC Studies, AEC Institute

Designed for 100% automation via API/IoT integrations. Manual entry = exceptions only.

1. GENERAL OPERATIONS (All Units)

Daily Opening Checklist (6:00 AM)

text

1. Power on all systems (ERP tablet/POS) 2. Verify internet connectivity 3. Sync previous day closing data 4. Check ERP dashboard for overnight AI alerts 5. Unlock physical spaces 6. Owner receives WhatsApp AI report (auto)

Daily Closing Checklist (11:00 PM)

text

1. Final utility readings (auto via IoT where available) 2. Cash reconciliation (POS auto-match) 3. Lock premises 4. ERP auto-generates P&L; → AI analysis → Owner WhatsApp 5. Backup power systems check

5 Critical Data Points (All Units)

Total Revenue (POS/Razorpay auto)

Electricity Consumption (meter IoT)

Staff Hours Worked (biometric/clock-in)

Customer Count (POS/ticket scanner)

Inventory Movement (weight sensors/POS)

2. AEC CINEMAS SOPs (2 Screens + F&B;)

Box Office Operations

text

PRE-SHOW (60 min before): 1. Verify show schedule in ERP 2. POS sync with online bookings (BookMyShow API) 3. Print tickets or enable QR scanner 4. Prepare change float (₹5000) DURING SHOW: 1. Scan all tickets (POS auto-logs occupancy) 2. Monitor projector via IoT dashboard 3. Real-time occupancy visible on manager tablet POST-SHOW: 1. Final F&B; sales reconciliation 2. Projector hours logged (IoT auto) 3. Clean scan → ERP housekeeping complete

F&B; Counter SOP

text

ORDER PROCESSING (30 sec target): 1. Customer orders → POS touchscreen 2. Payment (UPI/cash/card) → Razorpay sync 3. Items prepared → weight scanner confirms 4. Delivery → customer receipt QR INVENTORY:- Coffee machine sensors → auto re-order alert- Waste logged via POS "waste" button- Daily stock-take (10 min, scanner-based)

5 Critical Cinema Data Points

Ticket Revenue per Show

Seat Occupancy %

Projector Runtime Hours

F&B; Average Order Value

Electricity Cost per Show

Projector Lamp Management

text

ALERT PROTOCOL (ERP Auto):- 1500 hours: "Order spare lamp"- 1800 hours: "Critical - schedule maintenance" - 2000 hours: "Shutdown imminent"

3. BYTES CAFFE SOPs (Coffee Shop)

Opening Routine (7:00 AM)

text

1. IoT inventory sync (coffee beans, milk)2. Machine pre-heat (auto-timer)3. POS cash float (■2000)4. Menu pricing check (dynamic AI suggest)5. Cleanliness checklist (photo upload)

Order Fulfillment Workflow

text

1. Order via POS tablet (15" touchscreen)2. Kitchen display shows prep items3. Barista confirms ready → POS complete4. Payment auto-syncs (no cash counting)5. Loyalty scan (QR code repeat customers)

Closing Routine (10:00 PM)

text

1. Final inventory scan (weight sensors)2. Waste % calculation (auto)3. Cash reconciliation (POS print)4. Equipment shutdown checklist

5 Critical Cafe Data Points

Average Order Value (AOV)

COGS Percentage

Daily Customer Covers

Inventory Turnover Rate

Peak Hour Sales Volume

4. AEC RESIDENCY SOPs (20-Room Hotel)

Check-In Process (Self-Service)

text

1. Guest scans QR code at reception2. ERP shows room status + digital key3. Payment via UPI → auto room unlock4. Welcome SMS with WiFi + amenities5. IoT occupancy sensor activates

Housekeeping Workflow

text

ROOM STATUS CYCLE:1. Checkout → "Dirty" (auto via POS)2. Housekeeper scans QR → "In Progress"3. Cleaning complete → photo verification4. QR scan → "Ready" (auto-notify front desk)5. IoT confirms AC off/vacant

Dynamic Pricing Rules

text

ERP AUTO-ADJUSTS (AI Engine):- Occupancy >80%: +25% base rate- Occupancy <40%: -15% base rate - Weekend: +20% premium- Long-stay (7+ days): -10% discount

5 Critical Hotel Data Points

Occupancy Percentage

Average Daily Rate (ADR)

Housekeeping Time per Room

Electricity per Occupied Room

Upsell Revenue per Guest

5. AEC STUDIES SOPs (Study Abroad Consultancy)

Lead Capture → Conversion

text

WHATSAPP INBOUND (100% Auto):1. New message → ERP creates Lead record2. AI scores lead (0-10) via keywords3. Auto-response: Course options + calendar link4. Score >7 → Personal counselor assignment5. Application submitted → Payment linkNURTURE SEQUENCE (7-day drip):Day 1: University optionsDay 3: Visa success stories Day 5: Fee structure + scholarshipsDay 7: 1:1 calendar invite

Counselor Workflow

text

1. Dashboard shows "Hot Leads" (score 8+)2. Click lead → WhatsApp opens with context3. Update stage in CRM (1-click buttons)4. Application docs → client portal upload5. Payment → auto university application

5 Critical Study Data Points

Lead Source Attribution

Lead Score & Nurture Stage

Conversion Rate (Lead→Application)

Country/Course Preference

Follow-up Interactions Count

6. AEC INSTITUTE SOPs (IELTS/Data Science Training)

Batch Management

text

ENROLLMENT:1. Online payment → auto batch assignment2. Welcome kit SMS + e-learning access3. Biometric attendance activationDAILY CLASS:1. Faculty marks attendance (tablet scan)2.

Mid-class quiz → auto score in ERP3. Homework assignment via portal4. Progress visible to parents (real-time)MOCK TESTS:1. Auto-schedule based on batch progress2. Online/offline → auto result upload3. AI progress prediction vs target band

5 Critical Institute Data Points

Monthly Enrollment Numbers

Average Mock Test Scores

Attendance Percentage

Course Completion Rate

Faculty Utilization Hours

7. EMERGENCY PROTOCOLS (All Units)

Power Failure

text

1. Generator auto-start (IoT confirmed)2. ERP logs diesel consumption3. Show cancellation SMS (cinema only)4. Owner WhatsApp alert

Payment Gateway Down

text

1. Offline mode → manual reconciliation later2. ERP flags pending webhook sync3. Cash transactions → photo receipt upload

Data Entry Exceptions

text

ALL MANUAL ENTRIES REQUIRE:1. Photo proof upload2. Manager approval (2-step)3. Owner notification if >₹50004. Auto-audit log entry

8. AI SUPERCOMPUTER WORKFLOWS (Owner Only)

Daily 6:00 AM WhatsApp Report

text

FORMAT:"₹47,200 TOTAL REVENUE yesterday■ Cinema: 68% occupancy, lamp 1780/2000h ■■■ Cafe: AOV ₹185 (+8%)■ Hotel: 14/20 rooms, suggest +15% rates■ Studies: 3 new high-intent leadsGROWTH IDEAS:1. Cinema evening show +₹20 tickets2. Cafe launch combo meal ₹149 3. Hotel target corporate weekday deals"

Alert Thresholds

text

CRITICAL (Immediate WhatsApp):- Projector lamp <200 hours remaining- Electricity spike >200% normal- Lead conversion drop >30%- Occupancy <30% for 3 daysMAINTENANCE (48h WhatsApp):- Inventory critically low- Housekeeping delays >2h avg- Staff attendance <80%

This SOP framework ensures 95%+ automation. Staff training: 2 hours total. Owner oversight: 15 min/day via mobile dashboard.

STANDARD OPERATING PROCEDURE (SOP)

AEC GROUP

1. PURPOSE

To define standardized procedures across AEC Group businesses to ensure consistency, quality service, compliance, and continuous improvement.

2. SCOPE

This SOP applies to all departments and business units: AEC Cinemas, Bytes Caffe, AEC Residency, AEC Studies, and AEC Institute.

3. OBJECTIVES

- Deliver consistent services - Ensure compliance - Improve customer satisfaction - Promote accountability - Enable continuous improvement

4. BUSINESS UNITS

AEC Cinemas – Entertainment services Bytes Caffe – Food & beverage operations AEC Residency – Hospitality services AEC Studies – Academic support AEC Institute – IELTS & Data Science training

5. ROLES & RESPONSIBILITIES

Management: Strategy & oversight Business Heads: Execution & reporting Employees: Follow SOPs Support Teams: Provide operational support

6. OPERATING PROCESS

Plan → Execute → Monitor → Improve

7. DOCUMENTATION

Maintain SOPs, financial records, training records, and compliance reports.

8. REVIEW

SOP reviewed annually or as required

GEMINI

1. Group-Wide General Standards

Objective: To maintain a cohesive "AEC" brand identity across all touchpoints.

Uniform & Grooming: All staff must wear the designated AEC-branded attire. Name tags are mandatory.

Customer Greeting: Every guest/student is greeted with: "Welcome to AEC [Business Name], how may we assist you today?"

Conflict Resolution: Use the L.E.A.P. method:

Listen to the concern.

Empathize with the guest/student.

Apologize for the inconvenience.

Propose a solution immediately.

2. AEC Cinemas (Entertainment)

Objective: Seamless guest flow and high-quality audiovisual experiences.

Box Office & Entry

Ticket Verification: Scan digital or physical QR codes; verify age ratings for restricted films.

Queue Management: Ensure "Next Available Counter" flow during peak hours.

Theater Maintenance

Pre-Show Audit: Check screen clarity, sound levels, and AC temperature 15 minutes before the first show.

The "10-Minute Turn": After every show, cleaning crews have 10 minutes to remove trash, sanitize armrests, and sweep aisles.

3. Bytes Caffe (Food & Beverage)

Objective: Food safety, speed of service, and comfort.

Food Safety & Hygiene

Opening Check: Log refrigerator temperatures (must be below 5°C).

FIFO Method: Always use the "First-In, First-Out" rotation for ingredients to ensure freshness.

Service Flow

Order Taking: Confirm customizations (e.g., sugar level, milk type) and provide an estimated wait time.

Presentation: All items must be served on branded AEC trays or in eco-friendly takeaway packaging.

4. AEC Residency (Hospitality)

Objective: To provide a "home away from home" experience with professional standards.

Front Desk (Check-In/Out)

Arrival: Verify ID, collect security deposit, and explain amenities (Wi-Fi, breakfast hours).

Departure: Conduct a quick room check and ask for feedback on the stay.

Housekeeping

The Gold Standard: Bed linens must be crisp and wrinkle-free.

Sanitization: Daily disinfection of "high-touch" areas (remotes, door handles, light switches).

5. AEC Studies & AEC Institute (Education)

Objective: Excellence in student counseling, enrollment, and academic delivery.

Inquiry & Admissions (AEC Studies)

Consultation: Conduct a profile evaluation for students within 24 hours of their inquiry.

Documentation: Maintain a secure digital folder for every student's visas, transcripts, and applications.

Academic Operations (AEC Institute)

Session Readiness: Instructors must log in/arrive 10 minutes early to test projectors and digital tools.

Attendance: Log attendance within the first 15 minutes of class via the AEC Faculty Portal.

Feedback Loop: Conduct monthly student satisfaction surveys to monitor teaching quality.

6. Reporting & Communication

AEC GROUP — STANDARD OPERATING PROCEDURES (SOP)

Document Version: 1.0

Effective Date: May 2026

Prepared By: AEC Group Management

Classification: Internal Use Only

TABLE OF CONTENTS

AEC Group Overview

Group-Wide Policies

AEC Cinemas SOP

Bytes Caffé SOP

AEC Residency SOP

AEC Studies SOP

AEC Institute SOP (IELTS / Data Science Training)

Cross-Business Coordination

Emergency Procedures

Document Control

1. AEC GROUP OVERVIEW

1.1 Mission Statement

To deliver excellence across entertainment, hospitality, accommodation, education, and professional training — creating value for customers, students, and the community.

1.2 Group Structure

Business Unit	Category	Head of Unit
AEC Cinemas	Entertainment	Cinema Manager
Bytes Caffe	Food & Beverage	Caffe Manager
AEC Residency	Hospitality & Accommodation	Residency Manager
AEC Studies	Academic Education	Academic Director
AEC Institute	Professional Training	Institute Director

1.3 Shared Services

Finance & Accounts — Centralized billing, payroll, auditing

Human Resources — Recruitment, onboarding, training

IT & Infrastructure — Systems, CCTV, network, software

Marketing & PR — Branding, social media, promotions

Legal & Compliance — Licensing, contracts, regulatory

2. GROUP-WIDE POLICIES

2.1 Code of Conduct

All employees must maintain professionalism, punctuality, and respect for colleagues and customers.

Harassment, discrimination, or misconduct will result in immediate disciplinary action.

Confidentiality of group data, customer information, and financials must be preserved.

2.2 Attendance & Shift Policy

All staff must log in/out using the biometric system.

Shift timings must be adhered to; swaps require manager approval.

More than 3 unexcused absences per month triggers a formal warning.

2.3 Dress Code

Business Unit	Uniform Requirement
AEC Cinemas	Black uniform with AEC logo
Bytes Caffe	Caffe-branded apron and cap
AEC Residency	Formal wear / hospitality uniform
AEC Studies	Smart casual / staff ID mandatory
AEC Institute	Formal business attire

2.4 Communication Protocol

Internal communication via official email and WhatsApp Business group only.

All external communications (media, partners) must be approved by the Marketing team.

Escalation path: Staff → Supervisor → Department Head → Unit Manager → Group Director.

2.5 Grievance Handling

Employee raises grievance in writing to direct supervisor.

Supervisor resolves within 5 working days.

If unresolved, HR mediates within 10 working days.

Final appeal to Group Director.

3. AEC CINEMAS SOP

3.1 Overview

AEC Cinemas is the entertainment flagship of the group, operating multiple screens with state-of-the-art projection and sound.

3.2 Daily Operations

3.2.1 Opening Procedure (Shift 1 — 9:00 AM)

Security sweep of all screens, exits, and lobby

POS systems and ticketing terminals powered on and tested

Box office cash drawer balanced and float verified

Screen projection and sound tested for all shows

Lobby, restrooms, and concession area cleaned and stocked

Staff briefed on daily shows, events, and promotions

Emergency exits verified unobstructed

3.2.2 Show Management

Ticket sales open 30 minutes before first show.

Ushers positioned at screen entrances 15 minutes before each show.

Latecomers allowed entry only during first 15 minutes of non-featured content.

House lights dimmed 2 minutes before trailers begin.

Projection booth operator must be present for entire duration of each show.

3.2.3 Box Office Operations

All transactions recorded in the Cinema ERP system.

Cash reconciliation done after every shift.

Discounts/complimentary tickets require manager approval and logged in ERP.

Refunds permitted up to 30 minutes before showtime with manager authorization.

3.2.4 Concession Stand Procedures

FIFO (First In, First Out) stock rotation enforced.

Food handling: gloves and hygiene standards mandatory at all times.

Wastage log maintained daily.

Inventory restocked at shift start and after last show.

3.2.5 Closing Procedure

All screens cleared, inspected for lost items

POS terminals closed and daily reports generated

Cash counted, discrepancies reported to manager

Concession area cleaned, perishables stored or discarded per policy

All lights off, CCTV verified active, alarm set

Handover report completed and submitted

3.3 Customer Service Standards

Greet every customer with a smile and professional tone.

Complaints must be acknowledged within 2 minutes and escalated if unresolved in 5 minutes.

Lost & Found items logged and secured; unclaimed items after 30 days disposed of per policy.

3.4 Technical Operations

Projector lamp hours logged weekly; replacement scheduled at 80% of rated life.

Sound calibration checked monthly by certified technician.

Server/DCP (Digital Cinema Package) backups maintained daily.

CCTV footage retained for 30 days minimum.

3.5 Key Performance Indicators (KPIs)

KPI Target Occupancy Rate $\geq 60\%$ average Customer Satisfaction Score $\geq 4.2 / 5$ Concession Revenue / Ticket Revenue $\geq 25\%$ Show Start On-Time Rate $\geq 98\%$

4. BYTES CAFFE SOP

4.1 Overview

Bytes Caffe is the food & beverage outlet of AEC Group, serving quality snacks, beverages, and meals in a modern café setting.

4.2 Daily Operations

4.2.1 Opening Procedure

Inspect kitchen, storage, and service area for cleanliness

Check refrigerator and cold storage temperatures ($\leq 4^{\circ}\text{C}$)

Verify stock against daily inventory sheet

Prepare mise en place for the day's menu

POS system started, petty cash float verified

All equipment (coffee machine, grills, fryers) tested

4.2.2 Food Preparation Standards

All recipes must follow standard recipe cards.

Portion sizes are fixed; deviations require manager approval.

Allergen information must be available for all menu items.

Food temperature checks: Hot food $\geq 63^{\circ}\text{C}$, Cold food $\leq 8^{\circ}\text{C}$.

No cross-contamination between raw and cooked items.

4.2.3 Service Standards

Customer greeted within 30 seconds of arrival.

Order taken within 2 minutes of seating.

Food delivered within 10–15 minutes (café items) / 20 minutes (hot meals).

Bills presented promptly; payment processed within 3 minutes.

Table cleared and reset within 5 minutes of customer departure.

4.2.4 Beverage Operations

Coffee machine cleaned and backflushed every 2 hours.

Milk stored at $\leq 4^{\circ}\text{C}$; opened packs used within 24 hours.

Alcohol (if applicable) served only to verified adults (18+); ID checked when in doubt.

Wastage of beverages logged in daily waste sheet.

4.2.5 Closing Procedure

All food stored correctly or disposed of per safety rules

Kitchen deep-cleaned; equipment sanitized

POS closed, sales report printed and signed

Cash counted and reconciled with POS total

Refrigeration temperatures verified and logged

Waste disposed of in designated bins

Alarm set, premises locked

4.3 Food Safety & Hygiene

All food handlers must hold a valid Food Handler's Certificate.

Hand-washing mandatory before food preparation and after handling raw items.

Pest control inspection conducted monthly.

Health inspection readiness maintained at all times.

4.4 Inventory Management

Daily stock count at shift start and end.

Weekly stock audit by manager.

Supplier deliveries verified against purchase orders before acceptance.

Near-expiry items flagged and used first or returned to supplier.

4.5 KPIs

KPI Target Table Turnover Rate ≥ 3 times/hour (peak hours) Food Cost % $\leq 30\%$ of revenue Customer Wait Time ≤ 15 minutes Food Waste % $\leq 5\%$ of daily prep

5. AEC RESIDENCY SOP

5.1 Overview

AEC Residency provides accommodation services — including short-stay, long-stay, and student housing — maintaining hospitality standards.

5.2 Reservation & Check-In

5.2.1 Reservation Procedure

Reservations accepted via phone, email, walk-in, or online portal.

Confirmation sent within 1 hour of booking via email/SMS.

ID proof and advance payment collected at time of booking.

Special requests (extra beds, dietary, accessibility) noted in reservation record.

5.2.2 Check-In Procedure

Verify guest ID against reservation record

Collect security deposit (if applicable) and document in system

Issue key card / room key; explain room features

Provide welcome information: Wi-Fi, house rules, emergency contacts

Walk guest to room if first-time visitor

Record check-in time in Property Management System (PMS)

5.3 Housekeeping Standards

5.3.1 Daily Room Service

Rooms serviced between 9:00 AM – 1:00 PM unless guest requests otherwise.

DND (Do Not Disturb) signs must be respected; service deferred to next window.

Linen changed daily for short-stay; every 3 days for long-stay guests.

Bathroom fully sanitized daily; amenities restocked.

5.3.2 Room Inspection Checklist

Bed made with fresh linen (if due for change)

All surfaces dusted and wiped

Floor vacuumed / mopped

Bathroom cleaned: toilet, sink, shower/tub, mirror

Amenities restocked (soap, shampoo, towels, toilet paper)

AC/heater, TV, lights, and safe verified functional

Minibar items checked and restocked if applicable

Room spray used; windows aired briefly

5.4 Check-Out Procedure

Guest returns key card/key

Room inspection completed within 15 minutes of checkout

Any damage or missing items noted and charged per tariff sheet

Security deposit refunded (less deductions) within 24 hours

Final bill generated and receipt provided

Guest feedback collected (card or digital)

Room status updated in PMS to "Dirty" for housekeeping

5.5 Maintenance & Facility Management

Maintenance requests logged in the maintenance register with priority level.

Priority levels: P1 (Emergency – 1 hour), P2 (Urgent – 4 hours), P3 (Routine – 24 hours).

Preventive maintenance scheduled monthly for AC, plumbing, and electrical.

All maintenance staff must carry ID and wear uniform when entering guest areas.

5.6 Security Protocols

CCTV operational 24/7 in all common areas (not in private rooms).

Night security staff on duty from 10:00 PM – 6:00 AM.

Visitor log maintained at reception; visitors not permitted in rooms after 10:00 PM.

Fire safety equipment inspected monthly.

5.7 KPIs

KPI Target Occupancy Rate $\geq 75\%$ Guest Satisfaction Score $\geq 4.5 / 5$ Check-In Time ≤ 10 minutes Maintenance Response (P1) ≤ 1 hour

6. AEC STUDIES SOP

6.1 Overview

AEC Studies is the academic division offering structured educational programs, coaching, and tuition services.

6.2 Academic Operations

6.2.1 Class Scheduling

Academic calendar published at start of each term.

Timetables finalized 2 weeks before term begins.

Any class changes communicated 48 hours in advance via student portal and WhatsApp.

Makeup classes must be scheduled within the same week as the missed class.

6.2.2 Faculty SOP

Faculty must be present 10 minutes before class start.

Lesson plan submitted to Academic Director weekly.

Attendance of students marked within first 5 minutes of class.

Students absent for 3+ consecutive classes must be reported to the counselor.

No personal mobile phone use during teaching hours.

6.2.3 Student Enrollment

Inquiry received via phone, walk-in, or online.

Counselor conducts needs assessment interview.

Course recommended and fee structure shared.

Enrollment form and ID documents collected.

Fee payment recorded; receipt issued.

Student onboarded to learning management system (LMS) and WhatsApp group.

Welcome kit/orientation scheduled.

6.2.4 Examination & Assessment

Assessments conducted as per the academic calendar.

Question papers prepared by faculty and approved by Academic Director.

Results published within 5 working days of assessment.

Students scoring below pass mark offered remedial sessions.

Answer scripts retained for 6 months post-assessment.

6.3 Student Support Services

Academic counselor available Mon–Sat, 9 AM – 5 PM.

Doubt-clearing sessions scheduled twice a week.

Study materials provided digitally via LMS.

Feedback forms collected at end of each module.

6.4 Classroom Standards

Classrooms cleaned before and after each session.

Projector, whiteboard, and seating checked before class begins.

Air conditioning set to 24°C default.

No food or beverages in classrooms.

Maximum capacity per classroom posted and enforced.

6.5 Fee Collection & Refund Policy

Fees collected in advance per term.

Receipts issued immediately; all payments recorded in the fee management system.

Refunds: 100% if withdrawn 7+ days before course start; 50% within 3 days; nil thereafter.

Outstanding fees: Reminder on Day 5; student access suspended on Day 15.

6.6 KPIs

KPI Target Student Retention Rate $\geq 85\%$ per term Pass Rate $\geq 80\%$ Faculty Punctuality $\geq 98\%$ Student Satisfaction Score $\geq 4.3 / 5$

7. AEC INSTITUTE SOP

7.1 Overview

AEC Institute offers professional certification and skill-based training programs including IELTS preparation and Data Science / AI training.

7.2 IELTS Program SOP

7.2.1 Program Structure

Duration: 4–8 weeks (Intensive / Regular batches)

Modules: Listening, Reading, Writing, Speaking

Practice tests: Minimum 2 full mock tests per student

Target: Band 6.5+ (customized by student goal)

7.2.2 Enrollment & Batch Formation

Student takes a free diagnostic test (Listening + Reading).

Trainer reviews results and recommends batch level (Beginner / Intermediate / Advanced).

Fee collected and batch assigned.

Study materials (official Cambridge books + AEC practice sets) issued.

WhatsApp group created for batch communication.

7.2.3 Trainer Responsibilities

Deliver module-wise lessons per the approved IELTS curriculum.

Conduct minimum one speaking one-on-one session per student per week.

Evaluate writing tasks within 48 hours with detailed feedback.

Track each student's progress in the IELTS Progress Tracker sheet.

Simulate real exam conditions for all mock tests.

7.2.4 Mock Test Protocol

Timed under exam conditions (no phones, strict duration).

Answer sheets evaluated and returned with band score within 3 days.

Debrief session held after each mock test.

Final mock test conducted in last week of program.

7.2.5 Post-Course Support

30-day post-course query support via WhatsApp.

Students may attend one revision batch for free within 3 months.

Result submission: Students encouraged to share official score cards.

Testimonial and success story collection for marketing.

7.3 Data Science Training Program SOP

7.3.1 Program Structure

Module	Duration	Topics
Python Fundamentals	2 weeks	Syntax, OOP, libraries
Data Analysis	2 weeks	Pandas, NumPy, EDA
Data Visualization	1 week	Matplotlib, Seaborn, Plotly
Machine Learning	3 weeks	Scikit-learn, regression, classification, clustering
Deep Learning (Advanced)	2 weeks	TensorFlow, Keras, CNN, NLP
Capstone Project	2 weeks	Real-world project + presentation

7.3.2 Enrollment Process

Intake form submitted with background information (education, experience).

Orientation session explaining program path and tools.

Fee structure shared; installment options available with approval.

GitHub account and Google Colab setup guided during onboarding.

LMS access granted; tool stack shared (Python, Jupyter, VS Code).

7.3.3 Trainer Responsibilities

Deliver hands-on, project-based sessions.

Assignment evaluation within 72 hours with rubric-based feedback.

Industry case studies incorporated in each module.

Weekly Q&A; session (minimum 1 hour).

Capstone project guidance provided individually.

7.3.4 Assessment & Certification

Module quizzes at end of each module (minimum 60% to pass).

Midterm project evaluation at end of Module 3.

Capstone project presented to a panel (trainer + industry reviewer).

AEC Institute Certificate issued on successful completion.

LinkedIn recommendation provided to top performers (top 20%).

7.3.5 Placement Support

Resume review and LinkedIn profile optimization workshop.

Mock interviews conducted before graduation.

Job board access provided for 6 months post-completion.

Alumni network access maintained.

7.4 Institute-Wide Policies

All trainers must hold relevant certifications (IELTS: British Council/IDP certified; DS: Industry-certified or demonstrated portfolio).

Batch size: Max 15 students for quality assurance.

All sessions recorded and uploaded to LMS within 24 hours for replay access.

Student feedback collected after every module; trainers reviewed quarterly.

7.5 KPIs

KPI Target IELTSAverage Band Improvement ≥ 1.0 band IELTSAverage Student Target Achievement Rate $\geq 75\%$ DS Capstone Project Completion Rate $\geq 90\%$ Placement / Job Offer Rate $\geq 60\%$ within 6 months Student Satisfaction Score $\geq 4.5 / 5$

8. CROSS-BUSINESS COORDINATION

8.1 Inter-Unit Referrals

Students from AEC Studies / Institute may receive accommodation referrals to AEC Residency.

AEC Residency guests may receive dining vouchers for Bytes Caffe.

AEC Cinemas may host Institute/Studies events and screenings.

All inter-unit referrals tracked in the CRM system for performance crediting.

8.2 Shared Reporting Structure

All Unit Managers report weekly to the Group Director.

Monthly consolidated P&L; report prepared by Finance.

Quarterly Group Review Meeting with all unit heads.

Annual strategic planning retreat in January.

8.3 Marketing & Promotions

All promotional materials must carry the AEC Group branding.

Cross-promotion campaigns coordinated through the Marketing team.

Social media managed centrally; unit-level content requires approval.

Special package offers (e.g., Cinema + Caffe combo, Stay + Study package) created jointly.

8.4 IT Systems Integration

System Used By Cinema ERP AEC Cinemas Property Management System (PMS) AEC
Residency POS System Bytes Caffe, AEC Cinemas LMS (Learning Management System) AEC
Studies, AEC Institute CRM All Units Payroll & HRMS All Units

IT support ticket raised via centralized helpdesk; response within 2 hours, resolution within 8 hours.

9. EMERGENCY PROCEDURES

9.1 Fire Emergency

Raise alarm and call emergency services immediately.

Do not use elevators.

Evacuate all occupants via marked emergency exits.

Assembly point: [Designated outdoor area].

Fire warden conducts headcount and reports to emergency services.

No re-entry until all-clear from authorities.

9.2 Medical Emergency

Call emergency services (112 / local ambulance number).

First aid kit location: Each unit reception/kitchen.

First aid-trained staff on each shift (at least one per unit).

Incident report filed within 2 hours.

9.3 Power Failure

Generators auto-activate within 30 seconds (AEC Cinemas, Residency).

Cinema: Current show paused; audience informed via PA system.

Residency: Emergency lighting activates automatically.

All units: IT systems on UPS; data saved before manual shutdown.

9.4 Security Threat / Unauthorized Entry

Alert security and call police if threat is immediate.

Do not confront the individual alone.

Evacuate area calmly if required.

Cooperate fully with authorities.

Incident documented with CCTV footage preserved.

9.5 Data Breach / IT Security Incident

Immediately isolate affected systems (disconnect from network).

Notify IT Manager and Group Director within 1 hour.

Preserve all logs and evidence.

Do not attempt to fix without IT authorization.

Notify affected parties and regulatory authorities per data protection law.

10. DOCUMENT CONTROL

10.1 Version Control

VersionDateRevised ByChanges1.0May 2026AEC Group ManagementInitial SOP Release

10.2 Review Schedule

This SOP is reviewed annually or when significant operational changes occur.

Unit Managers may propose amendments via the Document Control Form.

Approved revisions are distributed to all relevant staff within 5 working days.

10.3 Acknowledgement

All employees must sign the SOP Acknowledgement Form upon receiving this document, confirming they have read, understood, and agree to comply with the procedures outlined herein.

AEC Group Management

"Excellence Across Every Experience"

Confidential — Internal Use Only

SUMMARY

1. Unified Identity: All units use AEC branding and the L.E.A.P service model.
2. Tech-Driven: ERP integration is mandatory; manual entry is for exceptions only.
3. Response Times: 2 min greeting, 15 min food prep, 20 min room service, 24 hr complaint resolution.
4. Proactive Maintenance: 80% lamp life replacement, 30-day CCTV, and IoT energy monitoring.
5. Academic Rigor: Attendance logged in 5 mins; module-wise feedback for students.
6. Growth: Daily P&L; and AI-driven growth suggestions delivered via

WhatsApp to Ownership.
